Oskaloosa, IA 52577

Jeff Kelderman
President
jeffk@kelderman.com

A proven design for over 40 years, the Kelderman water pump moves the most water with the most efficiency of any other PTO driven pump on the market. Used in everything from draining flooded farm land in the spring to flooding land in the fall for waterfowl hunting; nothing moves water like a Kelderman Super Pump.

Pricing is as follows:

KSP18	18" Water Pump	\$21,045
KSP24LH/RH	24" LH/RH discharge	\$23,000
KSP24HY	24" RH discharge w/hydraulics	\$27,600
KSP30	30" Water Pump	\$46,000+

Vinyl discharge hose is available in 25' and 50' lengths. Steel couplers are available to join multiple lengths together.

Discharge hose:

WP 50'X18"	\$1,800
KSPDH24-50	\$2,200
KSPDH30-50	\$3,000

*recommend using old gas line pipe when possible (30")

Steel discharge hose couplers:

KSPC24	\$345
KSPC30	\$430

The attached brochure has additional specs and power requirements. Please give us a call for more information and technical questions.
